GTFORadio The Web Site is interactive 24/7, offering the user different ways to listen, watch and participate in the broadcasts of GTFORadio.ca.

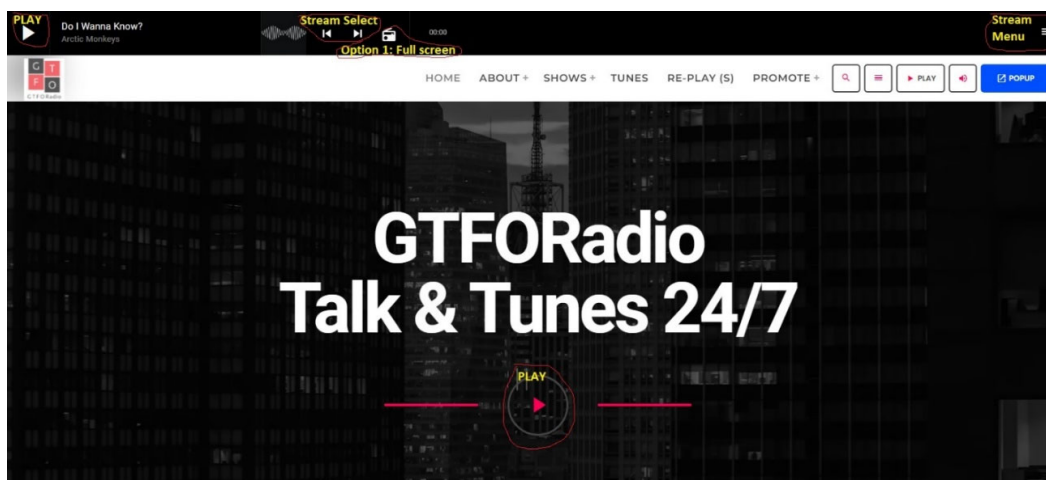

The following will explain how you to can make the most use of GTFORadio.ca

Three Streams 24/7 (No you do not listen to them all at the same time)

- 1) **Talk & Tunes 24/7** This is our Signature Stream, One hour of a previously recorded talk show. Re-Played 24/7, thru the week. Each day Monday to Friday Two Talk shows play a various times thru the day,. the alternate hour streams music.
- 2) **Tunes 24/7** Music Modern, Top Hits, Club Dance, Jazz and more.
- 3) **Re-Plays 24/7** Talk Shows Hosted by People that live the Modern Alternative Lifestyle 24/7. Listen to the stream or make a request, many to choose from.

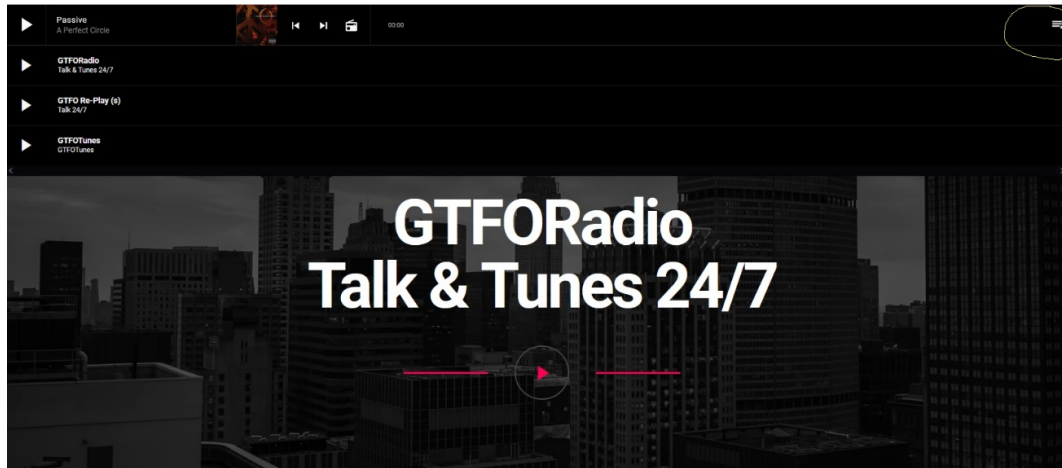

GTFORadio Streams all three channels 24/7.

Activate the main-stream by clicking on the triangle. There are different options available to the user, to suit your listening style, see the image(Yellow Titles):

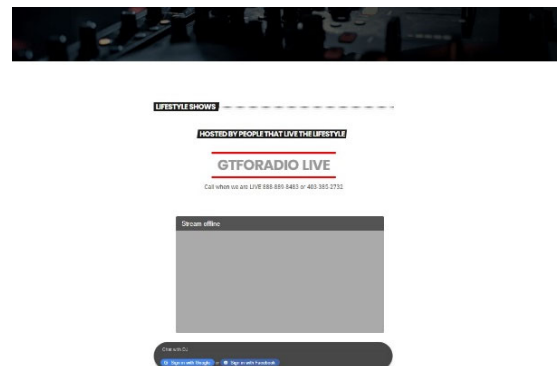

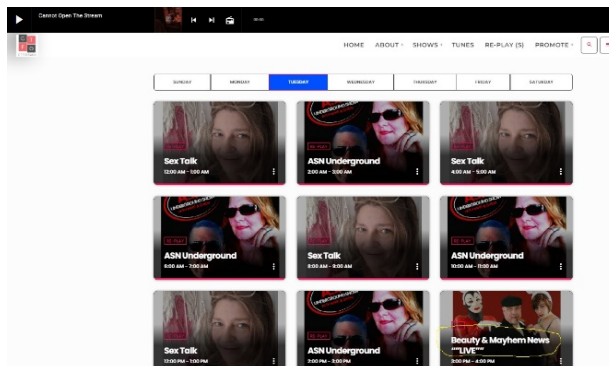

To access the Three Stream selection, on the far right is a menu, when clicked will provide access to all three streams, or between the album cover and the show clapper forward and back triangle buttons will switch you from one stream to another.

The show clapper will take you a Radio Player page that you can use on a TV screen.

VIDEO/AUDIO

Audio Streams is not the only way to enjoy GTFORadio.ca, You can watch and listen when our shows are live. The Current shows schedule will have LIVE in the title, click on the title, the link will take you the Radio Host Page where a video screen can be activated to watch and listen to the show.

LIVE

When a Show is LIVE, GTFORadio broadcasts the Audio, at the same time, the Show is Video Live Streamed. It is your choice which you wish to tune into, or you can listen to Tunes or Re-Plays. You cannot listen to more than one stream at a time on the same device.

You as the user can Call into the Show 403 355 2732 or 888 889 8433 OR you can CHAT Your Choice We are available for you, we want you to be a part of the SHOW.

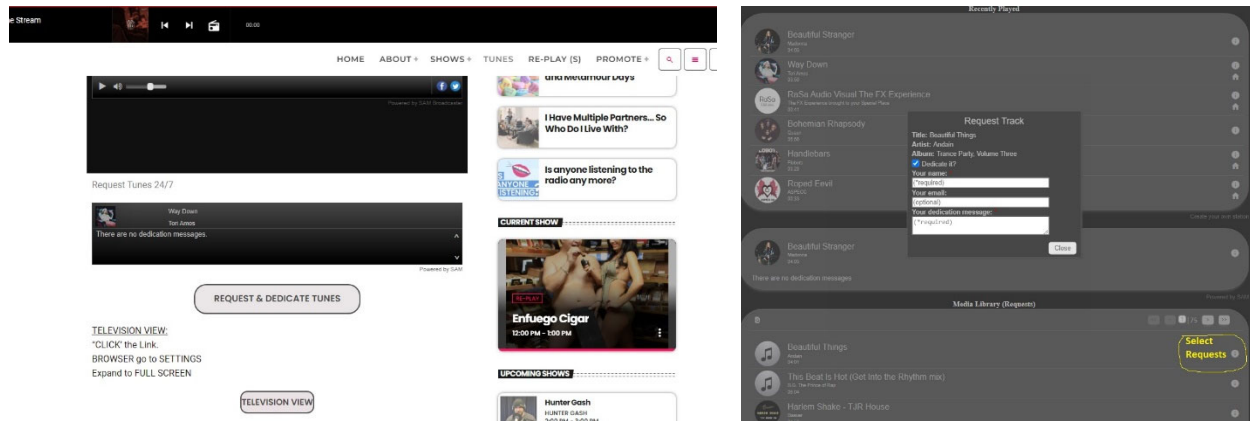

The VIDEO viewing television, can be expanded to fill your TV Screen or it can be reduced to being a picture in picture on your smart phone while you look for articles to read.
